RE: Standardized Test Scores

The NCAA Eligibility Center has received your standardized test scores from an ACT or SAT taken after high school graduation. According to NCAA Bylaw 14.3.1.3.1:

"The minimum required SAT or ACT score shall be achieved prior to the individual's first full-time enrollment in a collegiate institution."

These test scores may only be used for NCAA initial-eligibility purposes if the test was taken prior to the student's first full-time enrollment at a collegiate institution. Until verification of enrollment status is received, these test scores will not be entered in the student's record.

If you wish to have these test scores included in your record, PLEASE CONFIRM ONLY ONE OF THE FOLLOWING STATEMENTS ("A" OR "B") AND SIGN BELOW:

The undersigned understands that it is a violation of NCAA Bylaw 10.1 to knowingly furnish fraudulent or misleading information.

A. **I certify that I have never enrolled full time at any two- or four-year collegiate institution. I expect to enroll full time as of _____ (expected enrollment date - mm/dd/yyyy).**

If you were previously enrolled full time at another collegiate institution (college, university or junior college), indicate where you enrolled and the date of your first full-time enrollment.

B. **I enrolled full time at _____ (name of institution) on _____ (enrollment date - mm/dd/yyyy).**
